Since the death of her parents Oki Yasuko, a second-year high school student has been living with her mangaka brother Kenji who used to be the boss of a biker gang. Bickering nonstop, their relationship is hardly harmonious. One day, Kenji speaks of getting married. Poor Erika, the former ladies' boss who's been in love with him for 9 years, is in for a shock! To top it off, Akane, the woman Kenji is meeting, happens to be extremely volatile!

EMOTIONS GALORE! THE BATTLE OF THE PEERLESS SIBLINGS!

Even though ♥ I want a dog, my apartment doesn't allow pets. I find some solace in watching the puppies sold in a pet shop on my way home. I've been doing this for more than a year.

The story so far

Yasuko, a second-year high school student, lost her parents in a traffic accident 6 years ago. Ever since then, she has been living with her brother, Kenji. Although he now works as a mangaka, Kenji formerly led a biker gang and still has meddling, controlling, and violent tendencies. In other words, Yasuko's opinion of her brother is that he has no redeemable qualities.

When he found out her grades were slipping, he forced her to attend cram school. There she met Tsubaki Jun and fell head over heels for him. (heart) Coincidentally, Yasuko discovered that Jun's sister Erika (former boss of a ladies' gang?!) had been carrying a torch for Kenji. Erika stopped declaring her love for him in her third year of high school because of something Aota, her admirer, did in retaliation. However, when Aota kidnapped Yasuko, Erika and Kenji joined forces and successfully foiled his plans. And did Kenji tell Erika, "You're a good woman"?! How will things go between them, and between Yasuko and Jun?

For more details please read Yasuko to Kenji #1 (available in your nearest bookstore)!

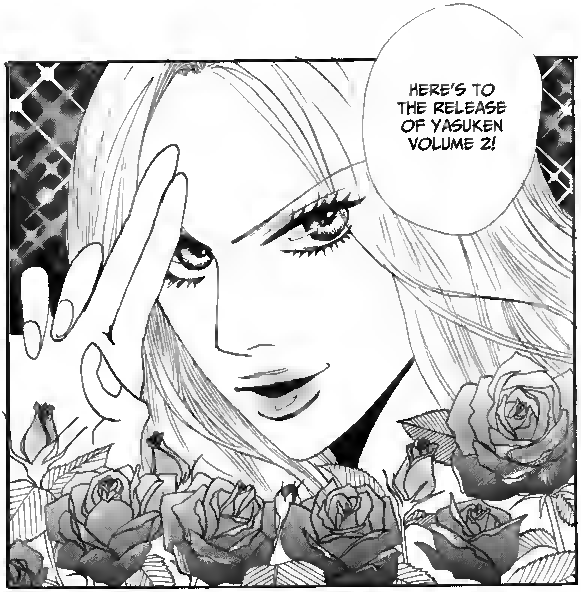
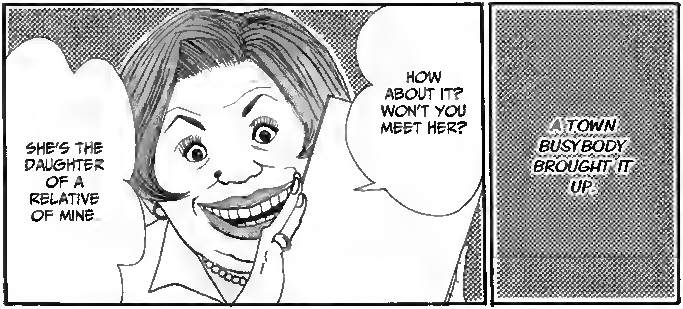
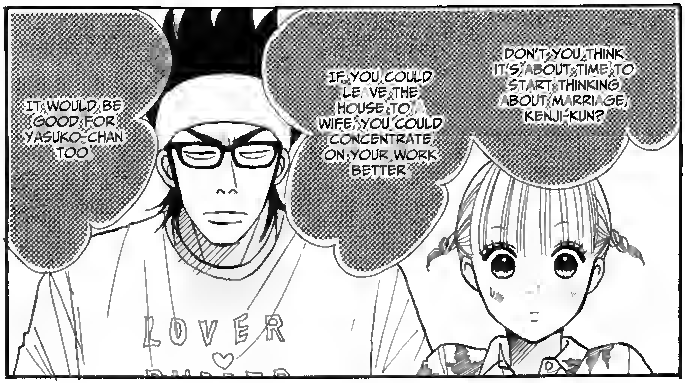
Hello
I'm Aruko the king of canceling at the last moment
I'm really truly grateful to everyone who went out to buy this volume of YasuKen. What? You borrowed it from a friend? What? You found it on the street?
No, that couldn't be..
Now, here's a comment from Erika-sama.







DON'T YOU THINK IT'S ABOUT TIME TO START THINKING ABOUT MARRIAGE, KENJI-KUN?
IF YOU COULD LEAVE THE HOUSE TO WIFE, YOU COULD CONCENTRATE ON YOUR WORK BETTER.
IT WOULD BE GOOD FOR YASUKO-CHAN TOO.
